#### **Mission Statement**

#### Our Mission

The mission of the Sparta Police Department is to enhance public safety through crime prevention, education, and enforcement of the law while working in partnership with the community to preserve the quality of life for Sparta residents.

#### **Our Vision**

Preserving quality of life through innovation and excellence in policing.

#### Our Values

**Courage** – To face one's fears in the face of adversity and do what is required to protect others.

**Pride** – In work and family we are accountable to each other and the Community.

**Excellence** – Strive for perfection knowing that "good enough" really isn't.

### Code of Ethics

"As a law enforcement officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence and disorder; and to respect the Constitutional rights of all men to liberty, equality, and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others; honest in thought and deed in both my personal and official life. I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided in me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities, or friendships to influence my decision. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courageously and appropriately without fear or favor, malice, or ill will, never employing unnecessary force or violence, and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve those objectives and ideals, dedicating myself before God to my profession... Law Enforcement.

### Oath of Honor

On my honor,

I will never betray my profession,
my integrity, my character,
or the public trust.

I will always have the courage to hold myself and others accountable for our actions.

I will always uphold the constitution, my community, and the agency I serve.

#### **CTU 2015 Year End Report**

The Monroe County Combined Tactical Unit (CTU) is a Multi-Jurisdictional SWAT Team staffed by members of the Monroe County Sheriff's Department, Sparta Police Department, Tomah Police Department and Wisconsin State Patrol. The member agencies have entered into an agreement to staff the team in this manner to allow for the most efficient use of each department's resources.

In 2015 CTU had some personnel changes from a couple agencies. For Sparta PD Detective Jose Tovar resigned after 4 years of service and Officer Jacob Edwards and Officer Brian James along with K9 Larz joined the team.

The Monroe County Combined Tactical Unit continues to train for one eight hour day each month in addition to other training that individual members attend. Sniper team members continue to train with Fort McCoy Police SRT Snipers on a regular basis. Nine team members attended the Association of SWAT Personnel-Wisconsin Conference, which included incident debriefs from several critical incidents across the United States. CTU conducted two joint training sessions, with La Crosse County Sheriff's Department Emergency Response Team and La Crosse Police Department Emergency Response Team.

In 2015 CTU responded to 5 calls throughout Monroe County. Two of those calls were just outside of the Sparta and two were located in the City of Sparta. Both calls in the city were barricaded subjects who threatened either officers or other individuals with a gun.

## Sparta Police Department K9 Unit

In August 2015 Officer Brian James was hired by the Sparta Police Department. Officer James worked full time for four years at the Vernon County Sheriff's Office. While employed with Vernon County, Officer James was a patrol deputy and in November of 2011 became Vernon County's first full time K9 Deputy. Officer James became the K9 Handler for K9 Larz. Officer James and Larz completed their Basic Canine Handler Course at Steinig Tal Kennels. Larz was trained as a dual purpose K9, where he is trained in narcotics detection, handler protection, criminal apprehension, article searches, and tracking. Officer James and Larz completed their training in February of 2012. Officer James and Larz certify yearly through North American Police Working Dog Association (NAPWDA). They are also members of the Wisconsin Law Enforcement Canine Handlers Association (WLECHA).

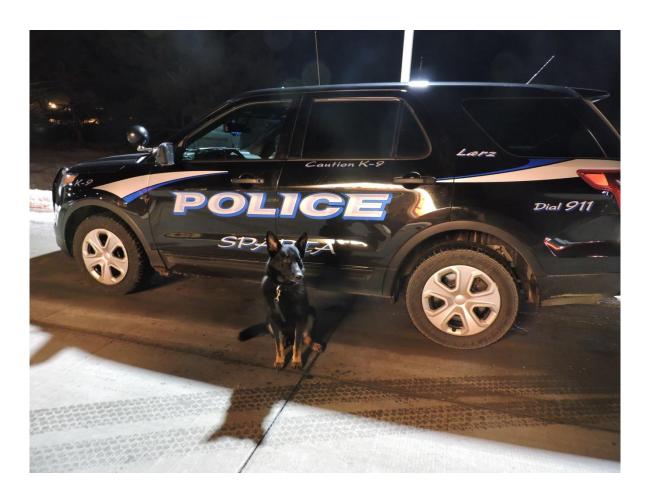

K9 Larz is a pure bred German Shepherd, born on May 16<sup>th</sup>, 2010. His parents were imported from Germany to Chile where he was born and imported to the U.S. in 2011 to begin his training and career as a police K9. In 2014, Larz received a state award through WLECHA, for Meritorious Track with an Apprehension. Larz and Officer James have been to several trainings together such as Swat & K9's Interacting During Deployment School (S.K.I.D.D.S), Madison Man Trailing course, and Tony Palotta's K9 Workshop. Larz and Officer James train approximately 16 hours a month to maintain their certification and abilities to work all the different abilities that Larz has to offer to the community.

In October 2015, Larz started working the road with Officer James in the City of Sparta. Since working the road in Sparta, Larz and Officer James has been called and responded to many calls to assist other officers. In response to the calls for Larz's assistance, many of the calls had led to arrests and seizures of several illegal narcotics taken off the streets of Sparta. Not only has Larz and Officer James assisted with the illegal narcotics off the streets, but have done several K9 demonstrations and meet and greets within the community. Officer James and Larz are also members of the Monroe County Combined Tactical Unit.

#### Highlights of 2015

• Case #15-1626 – K9 Larz was used to conduct an exterior sniff of a vehicle. Larz alerted to the odor of narcotics coming from the vehicle. Officers searched the vehicle and did not locate any contraband. Officer James decided to use Larz for an interior search of the vehicle. Officer James placed Larz inside of the vehicle and noticed that Larz was very interested in the rear backseat portion. Larz started to indicate by scratching at the rear passenger seat, so Officer James had Larz exit the vehicle. Officer James searched the rear passenger seat area where Larz was scratching and located a used hypodermic needle wrapped in a plastic baggie in between the seats pushed all the way down. If Larz was

- not there to locate these illegal narcotics the suspects would have been released. Also located on one of the suspects was .3 grams of Methamphetamine.
- Case #15-1795 K9 Larz was used to conduct a building search of a residence where a
  search warrant had been conducted. Larz located a small crawl space in the basement
  where several commands were given. Larz was sent into the crawl space to locate a
  suspect who had been involved in a disturbance. Larz located the individual hiding in the
  crawl space and apprehended this individual who was then placed into custody for
  several charges.

#### Sparta Police Department Social Media

Currently the Sparta Police Department uses two forms of social media, Facebook and Twitter. Our Facebook page is utilized far more than Twitter because locally, more people are on Facebook than Twitter.

Example: In late November an anonymous person made us each a very nice ornament showing support for law enforcement. The same picture was posted on Facebook and Twitter. The Tweet reached approximately 800 people, while the Facebook post reached more than 96,000 people.

The Wanted Wednesday posts on Facebook reach thousands of people, resulting in many successful apprehensions.

We've had great success in identifying retail theft suspects by posting surveillance still shots on our Facebook page. These posts generally reach 10,000-20,000 people and most suspects are quickly identified.

Social media is here to stay. It can be used to open channels of communication, to build a better, stronger relationship with the community.

SPD Trivia: 1<sup>st</sup> Facebook post: August 17, 2010, announcing 2010
Citizens Academy

"The employees of the Sparta Police Department would like to thank the anonymous person who made us each an ornament. The ornaments look great, they will be going on our trees!"

November 18<sup>th</sup>, 2015 -More than 96,000 people reached. 850 'Likes' on our page alone. The ornament picture reached more people than any other post to date.

When sending news releases to media outlets, we also post the press release on our Facebook page. It is important to keep the public informed about what we do and what is happening in the community. News spreads quickly over social media. It is important that we release the correct information in a timely manner in order to mitigate rumors and misinformation.

SPD Trivia: Current Page 'Likes': 5887 as of 04/18/2016

#### March 12, 2016

This picture was taken by a woman who looked outside and saw Officer Nelson handing out Culver's coupons to some kids who were wearing their helmets. The post reached more than 57,000 people, getting more than 1,900 likes on our page.

SPD Trivia: Most 'Likes' on a post-See above. Officer Nelson handing out coupons=1,900 'Likes'

#### November 16<sup>th</sup>, 2015

"Officer Lee spent some time with a little girl who wandered out of her house and got lost today. Shortly after this picture was taken, she was reunited with a very thankful (and worried) mother. She has never wondered off before. Officer Lee did a great job keeping her calm. This story has a happy ending, and with all the negativity in the world, we wanted to share something positive."

This girl's mother was very thankful and gladly gave us permission to post the picture on our Facebook Page.

30,000 people reached, more than 900 'Likes'

Perceptions of law enforcement have changed through the years. Many people used to think we mostly handed out speeding tickets. In reality, speeding tickets are a very small part of what we do. Social Media offers law enforcement the opportunity to present more information to the community, and to show that we do more than just issue tickets.

Social media is a powerful tool we can use to improve relations with the people we serve. Prolific use of social media in today's society means we must utilize the tools and technology available to us. Otherwise the technology and tools can be used against us through the spreading of rumors, lies, and misinformation. The public we are sworn to serve and protect deserve better than that and we work hard to make sure they get the best service possible.

**School Resource Officer Kyle Seubert** 

**Officer Chris Welker** 

**Officer Jose Tovar** 

Officer Jenna Lee

In 2015 we saw some changes in dayshift personnel. In October, Officer Tovar was assigned to an investigator position. Officer Lee then joined the dayshift crew after a few years on second shift. Between all the dayshift officers, we responded to 6886 calls for service. Here is the breakdown.

Officer Seubert spends ¾ of the year as the School Resource Officer. He handles the majority of school related cases that occur during the school year.

#### **Incident at Sparta High School**

On February 24<sup>th</sup>, 2015 the Sparta Police Department responded to the Sparta High School for a report of people with guns holding students hostage in the cafeteria. School officials put the high school on lock down while officers responded and made entry. This turned out to be a prank call. One of the students had sent a text message to his mother, stating that people had guns in the school and were holding students hostage. Officer Seubert, who was inside the school when the call came in, had already located the student and determined it to be a prank. This was found out just as the other officers made entry to the school.

Due to the proliferation of social media and cell phone technology, news of this incident spread quickly, alarming many parents and members of the community. While still on scene, we were able to use social media to inform the public that it was a false alarm. Through Twitter and Facebook, we quickly reached thousands of people, possibly preventing widespread panic about the incident.

The story was picked up by some local news stations.

On May 24th dayshift officers responded to residence on Blake St. for a report of a man trying to steal money from an elderly man. When officers arrived on scene the suspect fled out the back, with a helpful citizen chasing after him. The suspect was later found to have warrants for his arrest and had been a fugitive for over a year. The suspect attempted to force a female to drive him away, but officers deployed pepper spray and drug him out of the vehicle. The citizen who assisted us was identified as Tom Wavra. Mr. Wavra was later presented with a SPD challenge coin and certificate of appreciation.

At the scene of an accident on April  $7^{th}$ .

Semi took out Cable TV for this River Rd. neighborhood. Charter came out and fixed it.

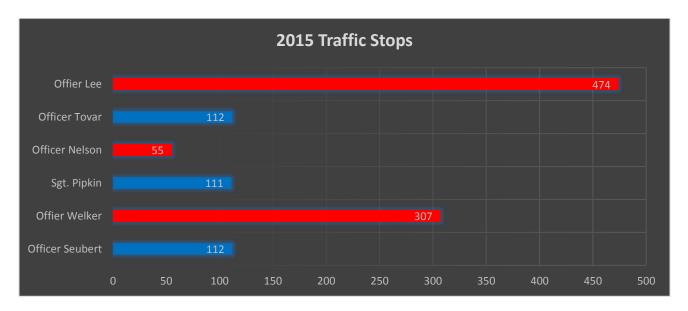

# **Blocking Traffic for the Fire Department**

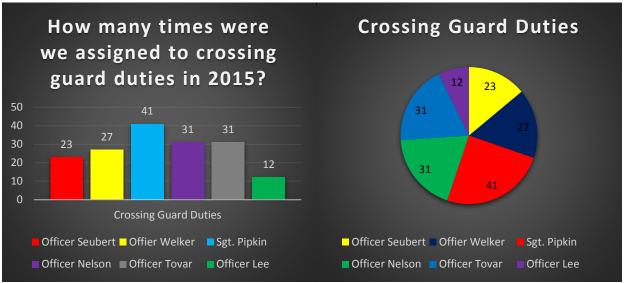

On July 17<sup>th</sup> the old Co-op building was torn down.

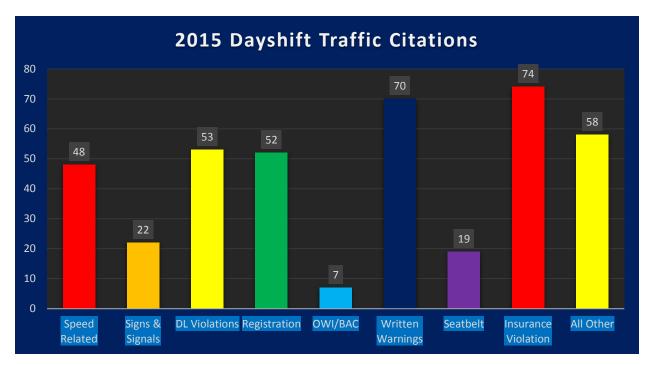

#### Some of what we did in 2015:

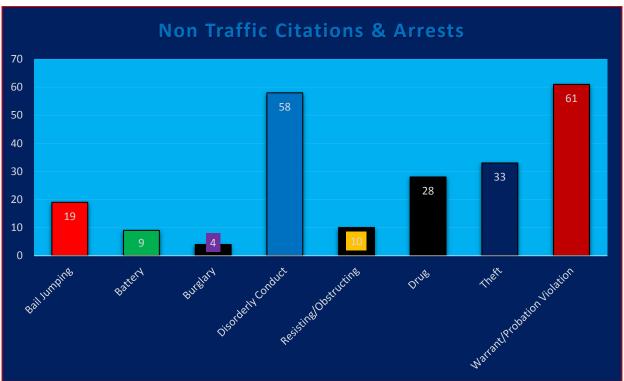

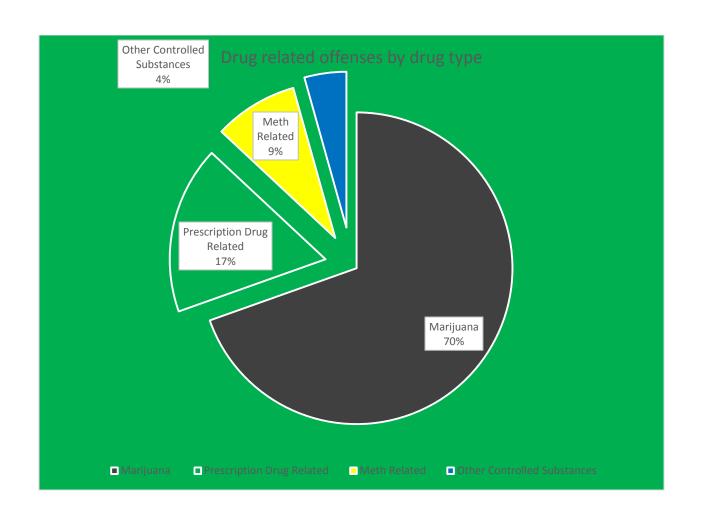

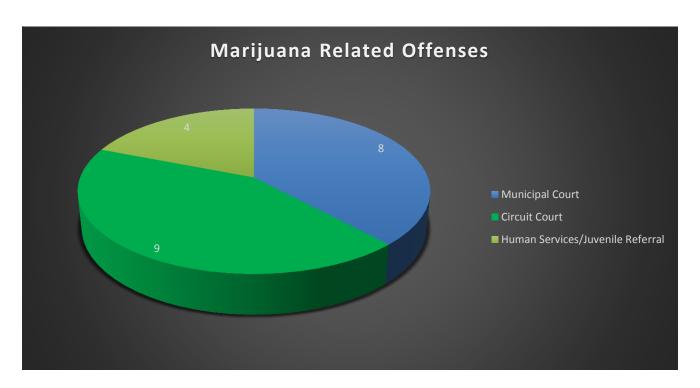

We spent a lot of time filling in for crossing guards in 2015. Often we cover their intersections if they call sick or if they won't come in due to cold weather. We were short one crossing guard for a good portion of the school year, but the position has since been filled.

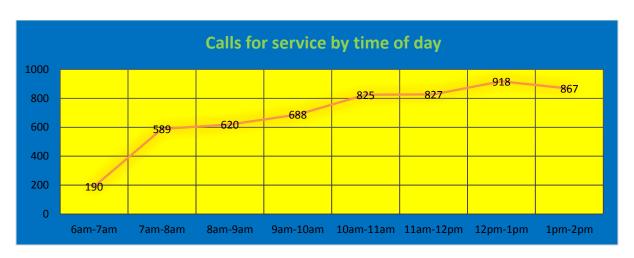

Once again, no-insurance violations were the number one citation issued on dayshift. State law requires vehicle to be insured, but many people do not follow this law.

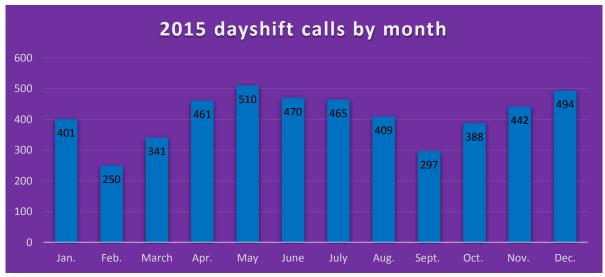

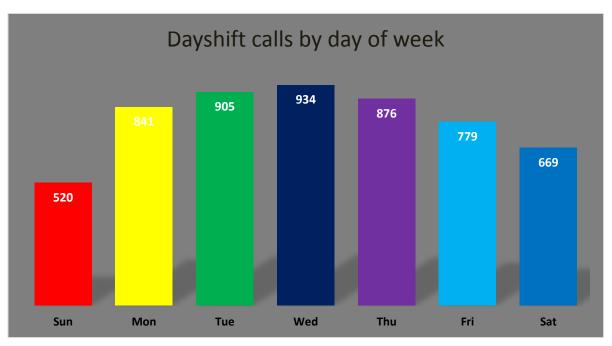

In 2015 K9 Nitro retired after several years on the department. It was sad to see him go, but we can rest assured that he is living a life of leisure with the Welker family. We had a retirement party, complete with cake and gifts for Nitro.

Officer Welker and Nitro take a moment to reflect.

# **Community Involvement**

As police officers, we not only enforce the laws, but serve as leaders

in the community. A brief encounter with a child can leave and impression they will never forget. Whenever possible, we visit schools and parks, or even stop by lemonade stands to say hello. Every day we work to build a better and stronger relationship with the community we are proud to serve.

**Second Shift** 

**Annual Report** 

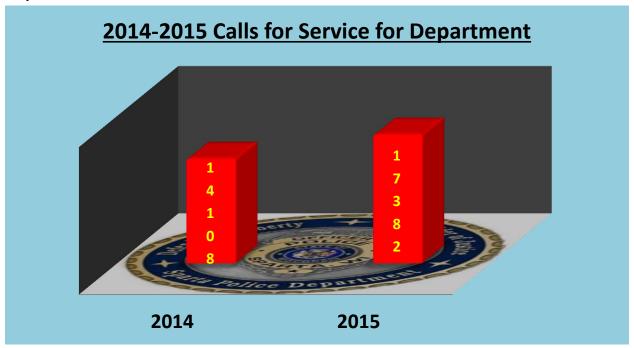

"A hero is someone who has given his or her life
to something bigger than oneself"

-Joseph Campbell-

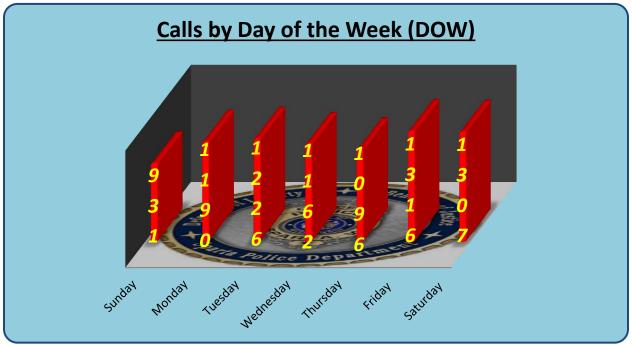

During 2015 the Sparta Police Department had a total of 17382 calls for service,3274 more than during the year of 2014. Calls for service include everything form 911 calls to traffic stops.

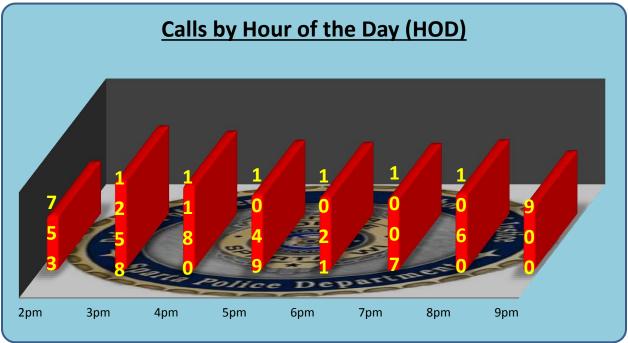

Of the 17382 calls for service handled by the Department, 8228 were taken by Officers assigned the 2<sup>nd</sup> shift.

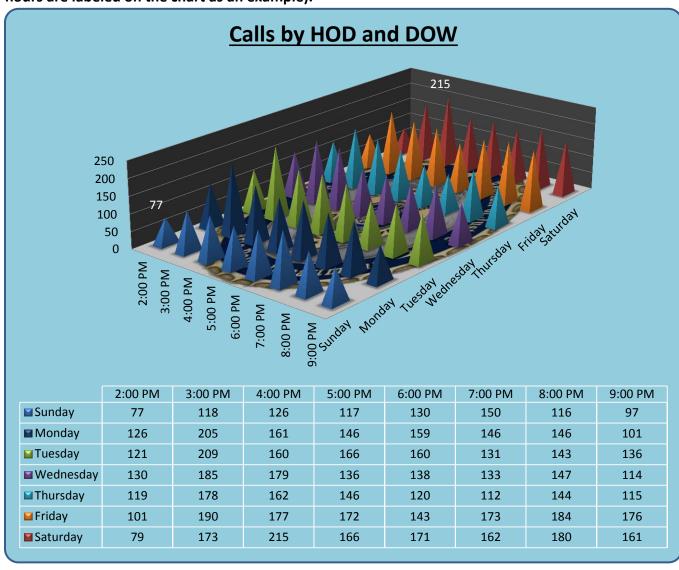

Of the 8228 calls second shift handled during 2015, the largest number (1316) occurred on Fridays (see chart below).

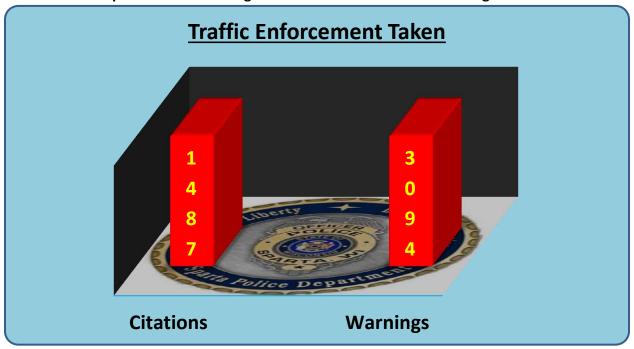

Of the 8228 calls second shift handled in 2015, the largest number (1258) occurred during the 3:00 pm hour (see chart below).

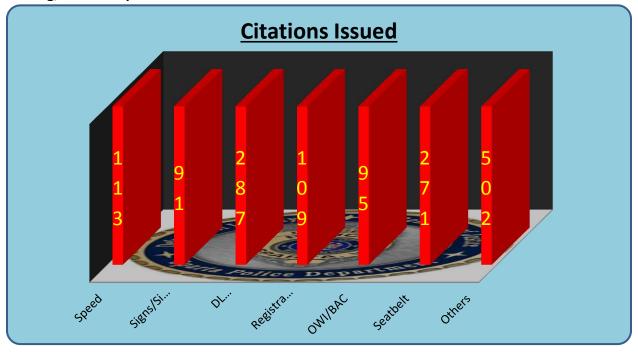

This chart shows the Calls for Service based on the Day of the Week, and the Hour of the Day, showing that our busiest hour of the week (215 Calls for Service) was on Saturday afternoon, during the 4:00pm hour, Sunday at 2:00 pm was the time with the fewest calls (these two hours are labeled on the chart as an example).

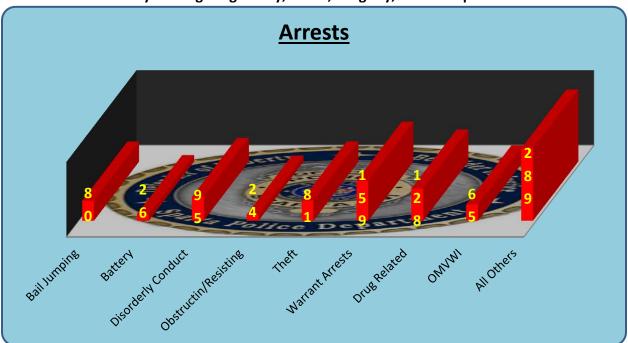

Of the 8228 calls for service handled by 2<sup>nd</sup> shift Officers 2547 of them were traffic stops. Those traffic stops lead to the issuing of 1468 Citations and 3094 warnings.

The citations issued include offenses listed in the following chart. The offenses included under "others" include Operating without Insurance, No proof of insurance, Inattentive Driving, and multiple other offenses.

Of the 8228 calls for service taken by 2<sup>nd</sup> shift Officers 947 arrest were made. Those arrests include 128 Drug related offense, 159 Warrant arrests, 80 Bail Jumping arrests, and 65 OMVWI arrest; additional offenses are listed in the chart below. Arrests included in "All Others" are Recklessly Endangering Safety, Fraud, Burglary, and multiple other offenses.

## **Alcohol Compliance Enforcement**

During 2015 Officers conducted two Alcohol Compliance Checks on businesses that serve/sell Alcohol in the City of Sparta. Those checks were conducted in July and August. During July the following businesses were found to be in compliance:

Amish Cheese House Hansen's IGA Kwik Trip (Black River St.)

Kwik Trip (Hwy 71) Pizza Hut Sparta Super Gas

Walgreen's Wal-Mart BP Travel Station

Brewski's Pub Casey's General Store

Club 16

The Cenex Gas Station and the BP Gas Station (300 block of W. Wisconsin Street) were found to be in violation and were issued citations.

During the August compliance check the following businesses were found to be in compliance:

American Legion Colonial Bowling Center El Vallarta

Fox Hole Pub The Greens Harris Crossing

Southside Saloon Wayside Tavern

The Great Wall Buffet and Silent Outdoors were found to be in violation and were issued citations.

#### **Training Attended in 2015**

**Sgt. Ames:** Crisis Intervention, Intoximeter Recertification, Firearms Training (Duty Pistol, Backup/Off Duty Pistol, Rifle)

Officer Lee (Hanson): Evidence Technician, Intoximeter Recertification, Internet Crimes Against Children Investigations, Firearms Training (Duty Pistol, Backup/Off Duty Pistol, Rifle)

**Officer Edwards:** Intoximeter Recertification, Active Shooter Response, Firearms Training (Duty Pistol, Backup/Off Duty Pistol, Rifle), FTO Instructor

**Officer Fischer:** Basic Swat, Domestic Violence Investigations, Advanced Roadside Impairment Detection and Enforcement (ARIDE), Firearms Training (Duty Pistol, Backup/Off Duty Pistol, Rifle)

#### **Notable Incidents**

**15-0051:** On January 9, 2015, Sparta Officers responded to a residence to attempt to locate a subject with an active arrest warrant. When an Officer knocked on the door, the door was answered by a male who advised Officers they could enter the residence. Once inside the residence it was discovered the wanted subject, Wade Riley, and another male, Timothy

Wither, had been smoking marijuana. Riley was arrested for the warrant. Riley and Withers were both issued citation for possession of Marijuana and Possession of Paraphernalia.

**15-0132:** On January 28, 2015, Sparta Officers responded to a residential fire on E Main Street. During the investigation contact was made with Dillion Towne and Leah Lodahl. When questioned about their whereabouts prior to the fire, the subjects provided conflicting stories. Both subjects were subsequently arrested for Obstructing.

**15-0161:** On February 4, 2015, Sparta Officers responded to a hit and run accident near the intersection of Rusk and Franklin Streets. The Tomah Police Department had contact with the driver/vehicle a short time later. As a result of the incident Bruce Williams was arrested by the Tomah Police Department for Operating a Motor Vehicle While Intoxicated. Williams was also arrested for Hit and Run, and issued multiple citation based on the Sparta investigation.

**15-0176:** On February 8, 2015, Sparta Officers took a complaint of a subject who had been attacked by a baseball bat. The victim claimed he was trying to return personal property to Kenneth Sizemore when Sizemore struck him with a baseball bat. Officers attempted to contact Sizemore but he refused to answer the door. Officers requested and received a search warrant to enter the residence. Because of Sizemore's known history of violence the Monroe County Combined Tactical Unit was called to secure the residence. While waiting for the team to arrive, Sizemore exited the neighboring residence and attempted to flee the area on foot. He was taken into custody by an officer who was maintaining surveillance on the residence. Sizemore was held in the Jail on substantial Battery and recklessly Endangering Safety.

**15-0230:** On February 18, 2015, Sparta Officers responded to a Hit and Run accident. During the investigation it was determined that a vehicle being driven by Mark Kinserdahl had struck the rear of another vehicle on Montgomery Street, near Lincoln Street. As the vehicles were pulling to the side of the roadway, Kinserdahl again struck the rear of the second vehicle. When Kinserdahl learned Police had been called he fled the area in his vehicle. He was located a short time later and subsequently arrested for Operating a Motor Vehicle while Intoxicated, with a passenger less than 16 years of age, and Hit and Run.

**15-0293:** On March 3, 2015, an Officer stopped a vehicle for an equipment violation. During the course of the traffic stop the Officer discovered the driver, and lone occupant, was in possession of over 200 Oz's of marijuana, in various forms (vegetable material, hash oil, and consumable candies). #### A FEW HIGHLIGHTS FROM 2015

**FEBRUARY** – Officers responding to a disturbance downtown located a suspect vehicle leaving and attempted to stop the vehicle. The driver and passenger fled from the vehicle on foot during the traffic stop. Responding officers followed prints in the snow and located the driver hiding under a vehicle in a driveway nearby.

**MARCH** – SPD officers assisted the WI State Patrol with a search of a semi-trailer seized from the interstate. The driver had been arrested by State Patrol for not having a valid commercial driver's license and the semi towed to Sparta after a K9 unit indicated for the presence of illegal drugs. Sparta officers assisted in examining the contents of the trailer. Although no drugs were located in the trailer, the driver could not explain why one pallet was missing from the trailer's contents and in contradiction of the bill of laden. There were no scheduled stops from the trailer's pickup location and when it was stopped by the Trooper, the driver would never explain the anomaly.

**APRIL** – A severe thunderstorm came through the city overnight on 04-09-15. The Officers were at the PD when lightening appeared to strike the building causing damage to electronic equipment to the PD and a few surrounding businesses.

**MAY** – Officers were dispatched to a residential burglary in progress on Long Ct. Officers arrived and located a male suspect outside the residence and took him into custody. The investigation revealed the suspect was an ex-boyfriend of the victim. The suspect had previously talked to the victim on the phone

and discharged a firearm to fake a suicide. The suspect brought a hand gun with to the residence however, threw the gun into the weeds just before law enforcement arrived. Law Enforcement located the gun in and learned it was reported as stolen. The suspect was suicidal and placed on a mental health evaluation and later transported to the jail.

**JUNE** - Butterfest weekend kept night shift officers busy with 76 calls which was overall about a 21% increase over 2014 Butterfest. Saturday was the busiest night for our shift, with 30 calls compared to 13 in 2014.

During Butterfest officers responded to an injury accident, a 13 year old female ran into traffic on Black River St and was struck by a vehicle. The State Patrol was called into assist with an accident reconstruction. Alcohol is not a factor in the accident.

Night shift also responded to an armed robbery at Westside Tavern. The suspects fled on foot, Officers were able to identify the suspects and subsequently took the subjects into custody.

**DECEMBER** – Officers were sent to a report of a stolen vehicle/disturbance on Goodman St. Arriving Officers began to investigate the incident and eventually became engaged in a standoff with an armed suspect. The suspect barricaded himself inside the residence, started two fires and hid from officers inside of a freezer in the basement to avoid capture. The CTU team was called to assist and the incident was eventually resolved after nearly 12 hours.
